COVID-19 UPDATE/VACCINATIONS

Booster vaccinations are being undertaken at the now closed Registry Office in London Road, next door to the Yorkshire Grey public house.

Booster walk-in sessions As long as you have proof that there has been at least six months (182 days) since your second vaccine, you can now walk in to get your COVID-19 booster vaccination. Frontline NHS volunteers can now self-refer for boosters at Vaccination Centres.

Please note that frontline, patient-facing volunteers are now eligible for a booster vaccination as they are classed as 'frontline healthcare workers'. This means they can self-declare and present themselves at vaccination centres, alongside other frontline healthcare workers.

Who is eligible for the COVID-19 booster vaccine?

The following people should be offered a booster dose of the COVID-19 vaccine in the same order as the first part of the vaccination programme:

- those living in residential care homes for older adults
- all adults aged 50 years or over
- frontline health and social care workers
- all those aged 16 to 49 years with underlying health conditions that put them at higher risk of severe COVID-19 (as set out in the green book), and adult carers
- adult household contacts of immunosuppressed individuals

COVID-19 cases are still running high in our area, with around 80 positive cases every week. Highest numbers are in the ages 10 to 19 but this is now moving upwards to include the older age brackets. However, deaths are still low and hospital bed occupancy has decreased but is now stable at around 30-35 patients over the two Bedford and Luton & Dunstable Hospitals.

Christmas in The Market Square: Light switch on Friday November 26; 4-8 pm **Saturday Market** with Santa's grotto from November 27. There will also be a **Christmas Light Show** on Friday and Saturday evenings.

THE
**QUEEN'S GREEN
CANOPY**

THE PLATINUM JUBILEE 2022

The Queen's Green Canopy (QGC) is a tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022. It will create a network of individual trees, avenues, copses and whole woodlands in honour of the Queen's service and the legacy she has built.

On 7th October, the Mayor, Cllr. Madeline Russell, was invited to the launch of the local campaign for Central Bedfordshire which was held, appropriately, at Jubilee Wood – the wood that was planted to mark the Queen's Diamond Jubilee and which will now be extended.

The first tree was planted by Her Majesty's Lord Lieutenant for Bedfordshire, Helen Nellis. Cllr. Richard Wenham, Leader of Central Bedfordshire Council, and the Mayor and Deputy Mayor, Cllr. Grant Fage, planted trees on behalf of our respective councils. Also present were Deputy Lieutenant Rod Calvert who is co-ordinating the initiative for Bedfordshire and Cllr Steve Dixon, the CBC lead for Sustainability.
