

A LITTLE HELP

Community Catalysts support people who are currently running or wanting to set up a community micro-enterprise that helps and supports disabled or older people at home and the community.

The aim of the project is to support and nurture local people to establish micro-enterprises to work locally, supporting local people in their homes, offering choice and control and to enable them to have a good life.

We would also like to stay connected with people, organisations, businesses or groups across the County who have an interest in building stronger communities.

Stratton Community Farm

Following closure of the school farm at Stratton in 2019, some of the buildings remain held by a Community Interest Company (CIC). The Directors of the CIC have been in discussion with Cambridge Meridian Academy Trust and the new Stratton school administration about whether these buildings and some of the land around them could once again be used by the Biggleswade community for a growing farm.

While plans are being developed, local people are being asked for their input as to how the farm concept might be developed. Your views would be welcomed.

Please fill in the short survey on the Stratton Community Farm [Facebook page](#). Or email: strattoncommunityfarm@gmail.com to receive the survey link.

Copies are available from Newsagents, Community Centres, Town Hall, Library, Churches and cafes. Also delivered by Biggleswade Good Neighbours to their clients and volunteers. Or you can read it online at www.biggleswadecommunitynews.uk

Biggleswade Athletic Club

Biggleswade Athletic Club was saddened to hear the death of Des Ball one of the founder members of the Athletic Club in 1951. Des passed away on the 25th March at the grand old age of 96.

The club 50 years ago, Des is in the middle at the rear.

He used to organise the Easter Monday road races around Biggleswade and the cycle and track races in July at Fairfield. The club's original home was Fairfield until the building became unsafe to use and moved to Stratton. The County Council Mid Beds at the time offered to build a running track at Stratton but the Biggleswade County Councillors of the day opposed this being built in Biggleswade so the track was built in Sandy instead the present day home of Biggleswade Athletic Club.

Des was the Club secretary for nearly 40 years and along with his Brother Rex the treasurer they ran the Club. Des's input in those early days laid the foundations for the athletic club it has become today.

Everyone is welcome to attend so should a topic be of interest to you please come along.

Tributes are being paid to a community Champion

Sadly Amanda Cawthorn has lost her long battle with cancer.

She was dedicated and worked hard in the Biggleswade community. You may well have seen her helping with road closures for events such as Remembrance Sunday and the carnival. She helped on the the Biggleswade Community Safety Group stall at various events, giving advice and support. Also she was a member of the

Biggleswade Ladies Group, Speed Watch and Neighbourhood watch.

Amanda had been poorly for quite some time but it never held her back – nothing could stop her from helping in any way that she could. We will miss her!
