We say goodbye this month to Lucy Roy, who was formerly our group's secretary, with many thanks for all she has done, and we wish her well on her travels. We also thank Eva-Maria Nichols who has been compiling quarterly reports on BGN activities to our parent body Beds RCC for a long time now. Stepping up in her place is Tracy Jones, whom we also thank for being willing to take on this role.

Last month, Richard Fuller visited **Lawnside Academy** in Biggleswade and spent time with Principal, Cheryl Johnson and sat in on some of the pupils' lessons. The school has recently received a 'good' rating from Ofsted with the report highlighting many aspects of the great work being done at the school. The Ofsted report detailed:

The Pupils enjoy going to school. They talk positively about their learning and they are proud of their school. Those with special educational needs and/or disabilities (SEND) are well supported and fully included in the life of the school. The school curriculum is ambitious. The content has been carefully planned and pupils learn important knowledge in a logical order. Staff teach the content of the curriculum well. Teachers understand how to check for any misconceptions in pupils' learning. They know how to address any barriers to help pupils build their understanding.

Speaking after the visit, Richard Fuller MP said: "It is fantastic to see a local school receive this sort of praise and I congratulate Principal Cheryl Johnson and all the staff for their hard work in delivering such high educational and pastoral standards.

Bedfordshire Group - Alpine Garden Society

We're back after our Christmas Break! Our first meeting of the New Year will be on Saturday 17th February at 2.30 pm with the talk starting at 3.00 pm in the Elgar Room, Weatherley Centre, Biggleswade. The talk this month will be about the Flowers of the Pyrenees given by Liz Livermore. The Pyrenees is the range of mountains that straddle the border between France and Spain and in addition to stunning landscapes have a wealth of flowers. Liz's talk is based on two trips she made to different parts of these mountains in late June and early July. We hope plants will be on sale at the meeting.

The cost per meeting for non-members is £5, which includes a cup of tea or coffee and biscuits. But, of course, you're more than welcome to join the group. Annual membership is £10 for a single member and £15 for joint membership and members pay only £2 per meeting.

In March, instead of our usual talk, we will be having an exhibition of Alpine plants and photographs. There will also be plants for sale. This will take place on 23rd March in the Elgar Room at the Weatherley Centre. More details will be available next month and on our website:
