COMMUNITY GROUP UPDATE

You responded to last month's front page article. Croquet, poetry, models, learning basic DIY, heritage trips and coach outings are ideas that have come forward.

At the moment our Group's new social section is moving forward with one – a trip to Great Yarmouth in August (see below). We will continue to consider others, as we link up with other local organisations. If you have any other ideas, please contact Shirley Legate, our Group's new 'Social Secretary'.

Poetry was suggested and Shirley went along to a session at the Bigg Theatre. This will be a regular feature. [Details on page 6.](#)

OUTING TO GREAT YARMOUTH, Wednesday 28th August

We have linked up with a local coach company and are

securing tickets to go to this popular seaside resort in August which we will be offering for sale in our May newsletter. We will need a non returnable deposit of £5 to secure a place and will offer at least one local pick up point. Payment can be by all usual methods.

Great Yarmouth caters for all age groups. It is flat and therefore popular with those who have difficulty walking. We think our prices are affordable at £24 for adults, £15 for children and £15 for over 60s. The coaches can accommodate a small number of wheelchairs and disability scooters, and there may even be a hoist made available.

If this outing proves popular, we might offer others that could include the occasional trip to stately homes, flower festivals, museums, railway journeys, canal trips or just back into London for those readers who have left those bright lights for living in rural Biggleswade.

If you are nervous of coming alone, we can offer you the support of knowing you will be with people from your own area, and we hope that may help break the ice.

For more information or to share your suggestions, contact Shirley Legate on 01767 448954 or 07988 822678 or email her at shirley.legate@gmail.com

BIGGLESWADE COMMUNITY GARDENS

A huge thank you to everyone who braved the showers to join us at a rather wet market stall recently. Together, we sowed and shared seedlings for people to grow on at home, ready to nourish both the people and souls of the Biggleswade community.

Recently our group received a kind donation from Ro Ro Haulage & Skip Hire Ltd for a tonne of compost for our garden at Northfields, as well as a Central Beds ward councillor grant which enabled us to buy trellis to enhance the garden and surround our new, large water tank, also donated.

If you want to join us please contact us at Northfields Community Centre, Northfields, Biggleswade SG18 0LL or email biggleswadecommunitygardens@gmail.com

Before covid, there was a thriving poetry group. Since its opening last year, The BIGG Theatre has been holding various smaller events in its café / bar and its main auditorium opens mid April. Shirley went along to their first poetry event, which was enthusiastically attended. Even if you came to just listen, the warm welcome was the same.

Poets, both local and from further afield, read their poems to a lively audience of supportive listeners. For some it was a nervous first experience of reading to an audience, and friends were brought along for support! The BIGG Theatre team, led by their MC Anna Stolli, helped make the evening flow along. Why not go along to the next one?
