Our students have been distributing newsletters to pickup points around the town.

Our main cost is for printing the newsletter. This is funded by personal donations and grants. We are grateful to Biggleswade Town Council and Biggleswade Rotary Club for supporting us.

We are determined to keep the newsletter free of charge to our readers, many of whom are housebound, some without computer access. Currently we are limited to 1500 copies and 8 pages. With more funding we could increase that. Any offers or suggestions?

We work with our partners to publicise what we offer online and on stalls etc. at local events. It would be good to link up with a few more suitable organisations. Anyone interested? Together we can do more!

NEED A LITTLE HELP?

2024 SPRING COVID VACCINE BOOSTER NOW AVAILABLE

If you are over 75 or are considered immune suppressed, you can now book your spring 2024 booster in the usual way, i.e. online or over the telephone. This time you will not be contacted by the NHS so it is up to you to book your appointment. You can "Google" online to learn more about being immune suppressed, or ring 119.

You can make an appointment at either Biggleswade Hospital, Potton Road, or at Biggleswade Pharmacy in the Market Square. Both have step free and wheelchair access.

Whilst having your spring vaccine around 6 months after your last dose is the usual timeframe, you can have it as soon as 3 months after a previous COVID-19 vaccine dose. If you are eligible, you can get protection from a spring COVID-19 vaccination even if you have not taken up an offer in the past. Most people do not need extra vaccinations to make up for any they have missed, but your doctor may advise a further dose if you have a severely weakened immune system.

It is important that everyone who is eligible takes up the offer this spring before the vaccination programme closes on 30 June 2024.

CAN OUR LOCAL CHARITY HELP YOU OR SOMEONE YOU KNOW WITH SOME FREE TIME EACH WEEK?

Respite at Home volunteers have been working all across Central Beds for the last 25 years supporting adults living with life limiting illnesses and giving some much needed time off each week for carers and families.

Our service is free and our team could help you with a couple of hours each week sitting with your loved one, so that you could maybe meet a friend, go out for a walk or join an exercise class.

We are here to help! If you need some advice or support then please call and leave a message and we will come back to you
